

## **Debi Roth, CIA**

Debi Roth is the managing director – Global Standards & Guidance – for The Institute of Internal Auditors, Inc., and currently serves as staff liaison to the International Internal Audit Standards Board and the Professional Responsibility and Ethics Committee and was responsible for the 2017 Revised Standards and development of Implementation Guidance for IIA members. Debi also served as staff liaison to The IIA's IPPF Relook Task Force (RTF) during the development and July 2015 release of the IIA's new International Professional Practices Framework.

Debi is a Certified Internal Auditor (CIA) with more than 15 years of professional audit and tax experience in various industries, including healthcare, transportation, manufacturing and banking. Prior to joining The IIA, she was enterprise risk manager for WellCare Health Plans. Before that, she was the manager of internal audit for AirTran Airways for more than five years.
