

Chris Mower, CPA

Crowe, LLP, Office Managing Partner, Springfield

Chris Mower is the Crowe LLP office managing partner in Springfield with responsibilities for overseeing the delivery of services focused on government and not-for-profit organizations. She is a government consulting services partner with nearly 20 years of experience providing audit, accounting, and consulting services to public sector clients including:

- Single audits and financial statement reviews
- Grant management and sub-recipient monitoring
- Comprehensive Annual Financial Report (CAFR) preparation
- Employee benefit plan audits
- Internal audit and controls
- Business process redesign

In addition to her government consulting work, Chris has developed and led continuing education training programs related to her areas of expertise.

Prior to joining Crowe, Chris worked as a controller in private industry directing accounting functions, financial statement preparation, and coordination with external auditors.
