Non-Profit and Community Leadership**Board of Directors, Finance Chair, Management Team, Fundraising Committee****Inman Park Cooperative Preschool, 501c3**

Georgia's longest running cooperative preschool serving a community of approximately 75 families living in the City of Atlanta. Embracing the creative curriculum, IPCP believes children learn through play with a reverence for the environment, surrounded by a community that looks out for one another.

Board President, Play it Forward Music Scholarship Program, 501c3

Play it Forward (PIF) is a program where students earn music scholarships through volunteering in their community. Professional musicians provide lessons that students earn by volunteering in a qualified non-profit, making it a win-win for their community.
